## Unlock Your Creativity 2023

**Name of the event: Unlock your Creativity**

**Speakers of the event: Santo Sunny and Devendra Kumawat**

**Date of event: 4<sup>th</sup> October 2023**

**Time of event: 1.30 pm to 3.30 pm**

**Location of the event: Fr. Conceicao Rodrigues College of Engineering (Room No.108), Bandra, Mumbai.**

**Number of Students attended: 35**

**Details of the Event:** The event began at 1.30 pm by gathering all the participants. Everyone was told to bring their own laptops for the session with Unreal Engine and Blender installed in it. In the first half of the session Santo Sunny shared his experience in Game Development and also gave brief explanation on Unreal Engine. At the second half of the session Devendra Kumawat gave explanation on Blender and as well as students had hands-on experience in blender. After the end of the session Game Developers Association gifted stickers to the attendees and as well as a quiz was taken.

**About Unreal Engine:** Unreal Engine (UE) is a series of 3D computer graphics game engines developed by Epic Games first showcased in the 1998 first person shooter video game unreal. Initially developed for PC first-person shooters, it has since been used in a variety of genres of games and has seen adoption by other industries, most notably the film and television industry. Unreal Engine is written in C++ and features a high degree of portability, supporting a wide range of desktop, mobile, console and virtual reality platforms.

**About Blender:** Blender is a popular, open-source 3D computer graphics software used for a wide range of applications, including 3D modeling, animation, rendering, compositing, and more.
